

SUN BUCKS IS BACK!

ARE YOU
SIGNED UP?

SUN Bucks provides \$120 of extra grocery benefits to children (like yours!) over the summer, when kids aren't getting the meals they usually eat at school. It is available to families who could use support buying food.

Most eligible children are automatically enrolled in SUN Bucks, but some will need to apply.

SUPPORT/ QUESTIONS

[State-specific website] or [State-specific number].

How do I apply for SUN Bucks?

Families can apply for SUN Bucks online or with a paper application. Insert how to contact your state SUN Bucks office or school for help with paper applications. Remember, this benefit is for families just like yours. Apply!

Why do some kids get SUN Bucks support automatically, while others need to apply?

Many eligible children are automatically enrolled in SUN Bucks through other programs they already participate in. But here's the bottom line: If you don't receive the program automatically, and you have a child attending school, we recommend applying if you could use an extra \$120 to help with groceries over the summer.

You can quickly check your eligibility using the link or QR code on the front page. Students of any age who meet the income and school attendance requirements are eligible to apply. If some, but not all, of your children attending school received SUN Bucks automatically, or if your child received it in 2024 but not 2025, your child may be eligible but needs to apply.

What information or instructions will I receive in the mail?

Example: Keep an eye out for information about how to activate your SUN Bucks card(s). Your SUN Bucks benefit card will arrive in a separate envelope. Save all your SUN Bucks paperwork from the state just to be safe!

What should I do if I have problems activating my card or have other questions?

Include state-specific instructions on how to activate the card. If you have other questions about your card or benefits, contact [States] customer support team. They are here to help.

What other grocery or food support programs are available over the summer?

SUN Bucks works alongside in-person Summer Meal programs to help make sure kids get nutritious food all year round.
